  )                   Docket No. MPN 016-0322

**STIPULATION AND CONSENT**

Respondent's petition for relief from condition #34 of his Stipulation and Consent Order is GRANTED. As of July 6, 2022, Respondent is no longer obligated to participate in the Center for Personalized Education for Professionals Educational Intervention Program Education Plan developed for him in May 2021. Therefore, this Order is issued and entered by the Board of Medical Practice to remove condition #34 and its requirements imposed by the Stipulation and Consent Order of February 2, 2022.
